

ONLYJANE

The Marijuana industry is rapidly expanding with new products, new tools and new competitors.

**Is your delivery business ready to stay ahead of your competition?  
OnlyJane can keep you ahead of them all.**

## Main **Problem**

80% of Collectives do everything by pen/paper. If they do use a system it is most likely outdated and/or have to use 5 different tools, which is ineffective.

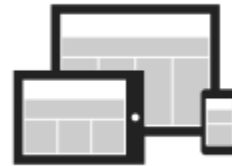

**Industry leaders are ones that can streamline all business processes.  
Become one.**

OnlyJane streamlines your delivery business.

**Simple and effective way to manage your fulfillment.**

**Complete  
Solution**

**Web & Mobile**

You must adapt to excel in a booming industry.

**“If this was a stagnant industry, slow growth would be okay. Cannabis is growing so fast, you get passed by if you don't automate all your business needs.”**

**Danny Davis, a Managing Partner at Convectium.**

Scaling will be the new challenge for the new or old businesses in the Marijuana industry.

**Track, Manage and Execute all your Marijuana Delivery Fulfillment needs using OnlyJane.**

There is plenty of room at the top right now.
